INTERFERENCE SEARCHED			
Class	Sub.	Date	Exmr.

This is a high-contrast, black and white image showing a close-up of a textured surface, possibly a book cover or a piece of paper. A prominent vertical crease or fold is visible, running down the center of the frame. The surface is heavily textured with numerous small, dark specks and fibers, giving it a grainy appearance. The lighting is very bright, creating a stark contrast between the dark, textured areas and the lighter, smoother regions. The overall composition is vertical, with the crease acting as a central axis of symmetry.
